REPORT OF THE DEPUTY MINISTER.

The Right Honourable,

SIR RICHARD J. CARTWRIGHT, P.C., G.C.M.G.,

Minister of Trade and Commerce,

Ottawa.

SIR,—The accompanying figures of *Foreign Trade* cover the usual information published year by year for the purpose of pointing out trade openings in foreign countries. They show as far as information has come to hand the aggregate trade and details of the principal imports and exports of such countries, thus giving Canadian manufacturers, producers and exporters as well as importers—information as to the resources and requirements of such countries, enabling those wishing to extend their business to judge as to whether and where there are openings for their particular lines, or where if they wish to import they may be able to purchase the goods they require.

In order that Canadian manufacturers and exporters may have at their command as complete information as possible respecting the possibilities of the markets of British and foreign countries, this volume has been considerably enlarged this year by the addition of the trade—both import and export—of the following countries:—

Alaska,
Bahamas,
Bermuda,
Brazil,
British Honduras,
Colony and Protectorate of Southern Nigeria,
Cyprus,
Hawaii,

Leeward Islands,
Nyasaland Protectorate,
Philippine Islands,
Porto Rico,
St. Lucia,
St. Vincent,
Somaliland Protectorate,
Uganda Protectorate.

There are unlimited openings for trade still unexploited by Canadians which with the fast increasing facilities for communication could well be taken advantage of with profit while still retaining grasp on what has already been secured. Energy backed by enterprise and capital could easily add an enormous increase to our trade figures, and it is to be hoped that the voluminous information published from time to time by the Department will assist materially those in position to take advantage of opportunities offering, to extend and increase their foreign trade in proportion to Canadian progress in other ways.

I have the honour to be, Sir,

Your obedient servant,

F. C. T. O'HARA,

Deputy Minister.

OTTAWA, March 13, 1909.

AREA, POPULATION, IMPORTS AND EXPORTS OF THE PRINCIPAL COUNTRIES OF THE WORLD.

NOTE.—Imports for Consumption and Exports of Domestic Produce, unless stated otherwise. Coin and Bullion excluded, unless stated otherwise.

COINAGE, WEIGHTS AND MEASURES

To assist in arriving at a comprehensive understanding of the value of foreign currencies, weights and measures (as expressed in foreign trade returns, tariffs, &c.,) as compared with those of Canada, tables have been prepared as follows:—

As regards those of Canada, the law provides that the denominations of money in the currency of Canada shall be dollars, cents and mills, the cent being the one hundredth part of a dollar, and the mill one-tenth part of a cent.

That—The currency of Canada shall be such that the British sovereign (the pound sterling) of legal weight and fineness, shall be equal to four dollars eighty-six cents and two-thirds of a cent.

In like manner the law provides as respects weights, that the unit shall be the standard pound (avoirdupois) of 7,000 grains, one-sixteenth part of the standard pound shall be an ounce ($437\frac{1}{2}$ grains) one hundred pounds a cental, and two thousand pounds a ton, and that four hundred and eighty grains shall be an ounce troy, or 5,760 grains a pound troy.

As regards measures—that the unit or standard measure of capacity, as well for liquids as for dry measures, shall be the gallon containing ten standard pounds weight of distilled water weighed with the water and air at a temperature of sixty-two degrees Fahrenheit, with the barometer at thirty inches, that the quart shall be one-fourth part of the gallon, and the pint one-eighth part of the gallon, and that eight gallons shall be a bushel.

This gallon commonly known as the 'Imperial Gallon,' contains 277.274 cubic inches, or 353.036 cylindrical inches.

The standard measure of length is the yard, one-third part of which it is provided shall be a foot, and the twelfth part of such foot shall be an inch.

In many countries the Metric system of weights and measures has been adopted. A separate table of Canadian equivalents of these is given in order to avoid repetition, the word 'Metric' being used in the general table in each case where the system is in vogue, as indicating a reference to that table.

The equivalent value of the monetary unit can only be given as respects those countries having a gold standard. Where silver is the standard, the value of the currency necessarily fluctuates correspondingly to the market value of silver bullion, and were any attempt made to quote the value of such currency it would, under present circumstances, be misleading, therefore, the weight in decimal parts of an ounce with the fineness of the coin is given instead, which will enable any one to approximate the value of the currency according to the current value of fine bar silver. As an example, say fine bar silver at 75 cents an ounce, the Bolivian dollar weighs .801 of an ounce, its fineness is .900, therefore $75 \times .801 = 60.075$ which $\times .900 = 54.0675$, or a small fraction over 54 cents, and the actual intrinsic value of the pure silver contained in the coin, to which should be added a reasonable allowance to cover the value of the alloy, the cost of the coinage, and in some instances exchange, the aggregate of which would be approximately the current value in Canadian currency of the dollar in question.

Unless carefully noted, the quotations as usually given of the current value per ounce of silver may be misconstrued and lead to misapprehensions, as it is sometimes quoted per ounce *fine*, and sometimes per ounce *standard*; thus for instance on a certain day the London quotation reads 'fine silver per ounce standard 32 d.,' while on the same day it is quoted in New York ' $69\frac{1}{2}$ cents per ounce fine;' as 32 d. is equal to a fraction over 64 $\frac{1}{2}$ cents, there would appear a difference of about 4 $\frac{5}{8}$ cents per ounce between the two prices, the New York price appearing that much in excess of the other, were it not noticed that one is based upon *standard* fineness and the other upon absolute fineness, but by reducing the New York "fine" to London "standard" (of .925 fine, or 444 grains fine to the ounce) the actual difference between the two quotations is found to be only about $\frac{5}{8}$ of one cent per ounce, the London price being that much in excess of the New York.

SESSIONAL PAPER No. 10a

To reduce the value of *standard* or sterling silver when expressed in pence to *fine* expressed in cents, multiply the pence and decimal parts thereof by 2·192.

To find the *standard* or sterling value expressed in pence and decimal parts thereof when *fine* is expressed in cents multiply the cents by 0·4562.

* Old weights and measures sometimes used. † The values in Chinese Imperial Customs Returns are always given in Haikwan taels, which are relatively in value equal to about 1.113 Shanghai taels. The tael is in reality not a standard of value (there is no such coin), but of weight, and when used in the sense of a value it only represents its weight in gold or silver, as the case may be, the real difficulty is to establish its exact equivalent in grains. Authorities differ greatly, as also does the practice in different sections of China. The Chinese are far from being inexact, and the probability is that there exists a standard, and a further probability that it is equal to 10 Japanese monmes, or 579.72 grains, which figures have been used in computing the value as above. It will be observed, however, that these figures fall short about 3.61 grains from the weight usual (say 1½ oz. per tael) in dealing with the weights other than those of gold and silver. ‡ Usually reckoned same as Chinese Picul of 133½ lbs. § This is long measure. ¶ Cloth measure is 25% greater in length than long measure. Therefore by cloth measure 1 sun = 1.4916 in. 1 shaku = 14.916 in. and 1 jo = 149.6 in.

TREATIES AND CONVENTIONS.

AGREEMENT BETWEEN THE UNITED KINGDOM AND LIBERIA.

An agreement between the United Kingdom and Liberia was signed at Monrovia, July 23, 1908, modifying the Treaty of Commerce of November 21, 1848, which agreement reads as follows :—

‘WHEREAS the Treaty of Friendship and Commerce between His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and the President of the Republic of Liberia cannot be modified or terminated except by mutual consent on the part of the High Contracting Parties :

‘The Government of His Britannic Majesty and the Government of the Republic of Liberia hereby agree that any of His Majesty’s Dominions mentioned below may withdraw from the treaty separately at any time on giving twelve months’ notice to that effect, but that nevertheless the goods produced or manufactured in any of such Dominions shall enjoy in Liberia complete and unconditional most-favoured-nation treatment, so long as such Dominion shall accord to goods the produce or manufacture of Liberia treatment as favourable as it gives to the produce or manufacture of any other foreign country. The Dominions to which this Declaration applies are the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, Cape of Good Hope, Natal, Newfoundland, Orange River Colony, and Transvaal, and the Indian Empire.’

Done at Monrovia this twenty-third day of July in the year of Our Lord 1908.

[L.S.] BRAITHWAITE WALLIS,
His Britannic Majesty’s Consul.

[L.S.] F. E. R. JONHSON,
Secretary of State.

DECLARATION BETWEEN THE UNITED KINGDOM AND PARAGUAY.

A declaration between the United Kingdom and Paraguay was signed at Asuncion, March 14, 1908, amending the Treaty of Commerce of October 16, 1884, which declaration reads as follows :—

“WHEREAS the Treaty of Commerce between His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and the Republic of Paraguay, of 1884, is terminable by twelve months’ notice given by either of the High Contracting Parties, and whereas it is desirable that liberty should be reserved to any of His Majesty’s Colonies, Possessions or Protectorates to withdraw from the Treaty without impairing the validity of the Treaty as between the United Kingdom and those other parts of His Majesty’s Dominions which may desire to remain bound by the said Treaty, the Government of His Britannic Majesty and the Government of Paraguay hereby agree that any of His Majesty’s Colonies, Possessions or Protectorates may withdraw from the Treaty separately at any time on giving twelve months’ notice to that effect, but that nevertheless the goods

In witness whereof, the undersigned have signed the present Declaration and have affixed thereto their seals.

TREATY OF COMMERCE BETWEEN THE UNITED KINGDOM AND SERVIA

A Treaty of Commerce between the United Kingdom and Servia was signed at Belgrade, February 17, 1907, and ratified on March 31, 1908.

ARTICLE 13 OF TREATY.

'The stipulations of the present Treaty shall not be applicable to any of His Britannic Majesty's Colonies, Possessions or Protectorates beyond the seas, unless notice of adhesion shall have been given on behalf of any such Colony, Possession or Protectorate by His Britannic Majesty's Representative to His Majesty the King of Servia before the expiration of one year from the date of the exchange of the ratifications of the present Treaty.

'Nevertheless, the goods produced or manufactured in any of His Britannic Majesty's Colonies, Possessions, and Protectorates, shall enjoy in Servia complete and unconditional most-favoured nation-treatment so long as such Colony, Possession or Protectorate shall accord to goods, the produce or manufacture of Servia, treatment as favourable as it gives to the produce or manufacture of any other foreign country. In such cases the Colony, Possession or Protectorate concerned shall communicate its intention in accordance with the procedure mentioned above.'

ARTICLE 16 OF TREATY.

'The present Treaty shall be ratified and the ratifications shall be exchanged at Belgrade as soon as possible. It shall come into force immediately upon ratification, and shall be binding until 18th, 31st December, 1917. From the date on which the present Treaty comes into operation, the Treaty of the 28th June, 10th July, 1893, shall cease to have effect.

'In case neither of the Contracting Parties shall have given notice to the other, twelve months before the date above mentioned, of their intention to terminate the present Treaty, it shall remain in force until the expiration of one year from the day on which either of the Contracting Parties shall have denounced it.

'As regards, however, the British Colonies, Possessions and Protectorates, which may have adhered to the present Treaty in virtue of article 13, either of the Contracting Parties shall have the right to terminate it separately at any time on giving twelve months' notice to that effect.

'It is understood that the stipulations of the present and of the preceding article referring to British Colonies, Possessions or Protectorates apply also to the Island of Cyprus.

SESSIONAL PAPER No. 10a

ARTICLE 13 OF FINAL PROTOCOL.

‘His Britannic Majesty’s Government undertake to inform the Governments of the Colonies, Possessions and Protectorates of His Britannic Majesty, in communicating the present Treaty to them, that the Servian Government have expressed a wish to receive reasonable notice of their intention to withdraw the treatment of the most favoured nation which the said Colonies, Possessions or Protectorates may have accorded to Servia.’

Upon the report of a Committee of the Honourable the Privy Council approved by His Excellency the Governor General under date June 8, 1908, the Right Honourable the Secretary of State for the Colonies was advised under date June 17, 1908, of the non-adhesion to the said Treaty, as provided under articles 13 and 16 of the Treaty and article 13 of the Final Protocol, on the part of Canada.

In view of the above report the department decided not to publish the Treaty, in full. A copy of the said Treaty is on file in the department and may be seen on application.
